

ATTACHMENT B

REMARKS

In response to the Notice to Comply with Requirements dated October 4, 2006, Applicants now provide amendments to the specification and a revised sequence listing and diskette which addresses the remarks in the Notice and places the application in condition for examination and allowance. In particular, sequence identifiers have been provided where needed, and a sequence set forth at pages 5 and 11 that possibly requires inclusion has now been added to the sequence listing and given a sequence identifier. In addition, an amendment has been made to the first paragraph reflecting that the parent of the present application has now issued as U.S. Pat. No. 6,635,473.

STATEMENT

Applicants state in accordance with 37 C.F.R. § 1.821(f) that the content of the enclosed paper sequence listing and computer readable form are the same, and that in accordance with 37 C.F.R. § 1.821(g), the enclosed submission contains no new matter.

Applicant thus submits that the application is now in compliance with the sequence listing requirements, and examination and allowance of this application is respectfully requested.
